

FUNERAL ARRANGEMENTS AT FCBC

Making Arrangements

Notify the church on the passing of a family member or loved one. In addition to providing a venue for the celebration of your beloved, we are here to provide support and grief care.

If you seek to have a homegoing or memorial service here at FCBC:

We will discuss the appropriate date and time for your viewing and funeral service. It is preferred that funerals take place in the **morning Monday, Wednesday and Thursday with an hour viewing to priced the homegoing service.**

We will review what types of arrangements are need for the funeral such as choosing music selections, media support an officiant, and ushers.

The order of worship must be approved by an FCBC Pastor prior to printing. A template for FCBC approved services will be provided.

Song selections are subject to change at the discretion of officiant.
